

**Peace  
of mind**  
is right around  
the corner with

**Pediatric &  
Adolescent  
Care**

**When your child is sick, you want  
them to feel better fast.**

Let our healthcare professionals diagnose and treat  
your child in about an hour.

*Below are just some of the illnesses and injuries, prone  
to children, that we treat.*

**ILLNESSES:**

- > Abdominal Pain
- > Ear Infections
- > Allergies
- > Eye Problems (minor)
- > Asthma
- > Headaches
- > Bronchitis
- > Nose Bleeds
- > Coughs, Colds, Fevers and Flu
- > Sore Throats
- > Dehydration
- > Urinary Tract Infections (UTI)
- > Diarrhea
- > Vomiting

**INJURIES:**

- > Animal and Insect Bites
- > Poison Ivy, Poison Oak and Other Rashes
- > Burns
- > Sports Injuries
- > Cuts and Lacerations
- > Sprains, Fractures, Broken Bones

We are the experts to see when  
your doctor's office is closed and your  
child's medical issue requires immediate,  
non-life-threatening attention.
